

PROJECT GRANT PROGRAM FOR ARTS ORGANIZATIONS & COLLECTIVES

2019 Application Guidelines

WINNIPEG
ARTS COUNCIL

DESCRIPTION

This program is intended for new and developing arts organizations, established arts organizations that work on a project basis, and arts organizations undertaking a special, one-time initiative. Collectives or unincorporated groups may be eligible provided that they meet the special criteria outlined below. The program is designed to provide partial support to a broad range of activities and art forms, reflecting different cultural traditions and art practices. A Project Grant must be applied to a specific project - with potential for artistic merit and civic impact - planned to take place within the 18 months following the notification date.

2019 Deadline: Tuesday February 5th prior to 4:00 pm
The maximum grant available under the Project Grant Program is \$10,000

First-time applicants are advised to review these guidelines carefully and then consult with the Program Manager before completing an application. Applicants intending to apply as a collective *must* contact the Program Manager to determine eligibility prior to applying. This program is not open to organizations receiving Operating or Programming Support Grants from the Winnipeg Arts Council, or to any organization or collective which receives other grants or funds from the City of Winnipeg or any of its agencies.

GENERAL ELIGIBILITY CRITERIA

Applicants for Project Grants must meet all of the following criteria:

- be an organization that has as its primary mandate and core activity the creation, production or presentation of the performing, visual, literary, film, video or media arts.
- be registered as a not-for-profit corporation in Manitoba, governed by a volunteer board of directors, and have operated as such for a minimum of six months, OR be a collective or unincorporated group that meets the special criteria below in addition to the criteria for not-for-profit corporations.
- Arts service organizations whose primary objective is to support the development of one or more art forms through a range of services to professional artists and/or not-for-profit arts organizations, or through the bringing together of professional artists and the arts community at large, may be eligible. *Arts service organizations must contact the Program Manager in advance of applying to determine eligibility.*
- have ongoing qualified artistic and administrative leadership (which may be combined), and pay principal artistic contributors for their services in accordance with generally accepted professional standards.
- be based and active in Winnipeg, and provide programming or services that are open to the public and publicized city-wide.
- *receive revenue from several sources other than the WAC.* These may include box-office revenues, memberships, donations from individuals or businesses, in-kind contributions or support from foundations and other levels of government.

Dedicated professional art programs that fit these criteria and function as part of a larger incorporated not-for-profit organization may be considered eligible for funding provided that the organization has dedicated artistic staff and resources related to the creation, production or presentation of the performing, visual, literary, film, video or media arts. Prospective applicants must contact the Program Manager prior to applying to ensure eligibility.

Multiple organizations collaborating on a single project must designate an eligible arts organization to act as the primary applicant, record keeper, and responsible fiscal agent for the project.

SPECIAL CRITERIA FOR COLLECTIVES OR UNINCORPORATED GROUPS

Collectives or unincorporated groups must consult with the Winnipeg Arts Council's Program Manager prior to applying to ensure eligibility. Please note the following considerations:

- A collective is considered a group comprised of two or more professional artists working together under a group name, either on an ongoing or ad hoc basis.
- If the collective is two members, both must be residents of the City of Winnipeg. If the collective is more than two members, at least 50% of the group must be residents of the City of Winnipeg (proof of residency may be required).
- All members of the group must have at least one year of professional practice and a history of public presentation. A group is not normally considered if its principal artistic collaborators have been enrolled in an undergraduate program within the last year.
- The group must have qualified artistic leadership. In the absence of an Artistic Director, applicants must include an outline of the artistic oversight for the project and short bios of the principal artistic collaborators.
- Collectives should already have identified the work(s) to be exhibited or presented, or, at minimum, have developed clear critical or curatorial objectives and provide a list of artists/artworks under consideration.
- Principal artistic collaborators to the project must be paid in accordance with generally accepted artistic standards.
- The group must have a designated administrative agent for the project, who is responsible for ensuring the terms of the contribution agreement are met.
- All members of the collective must be in good standing with the Winnipeg Arts Council.
- Collective applications are not intended to augment or replace applications from arts organizations. If an incorporated arts organization is involved with the project, the request should normally come from the organization rather than from a collective.
- More than one request for a project will not be accepted, i.e. one request from an organization and one request from a collective, or an application for a Project Grant and another for an Individual Artist grant, for similar or overlapping projects.

PLEASE NOTE Payments to collectives will not be issued to individuals. If you intend to apply as a collective you must be able to deposit a cheque payable to the name of the collective.

PROCESS

Applicants must complete and submit all materials listed in these guidelines. Where forms are provided they must be used. Applications require original signatures, and cannot be submitted by e-mail or facsimile transmission. **Only one proposal per organization or collective may be submitted to this program for consideration at any time.** The program is not intended to facilitate artists submitting multiple proposals as members of different collectives at the same deadline. Winnipeg Arts Council staff review all applications to determine eligibility.

The program is competitive. An independent panel of artistic professionals assesses each application, based on the criteria listed in this document and the applicant's past and proposed work within the context of each competition, and makes funding recommendations. Based on these recommendations grants are awarded by the Winnipeg Arts Council. There is no procedure for appealing the recommendation; however, the Winnipeg Arts Council welcomes comments or suggestions about any of its programs.
