Patron Awards Rules and Eligibility Criteria

Winnipeg Arts Council Awards winners are chosen by a jury composed of members of Winnipeg's diverse arts and business communities, based on the posted criteria for each Award. The jury determines the final shortlist of Nominees, as well as the Award winner in each category, from all eligible submissions received.

Who can submit a candidate for a Winnipeg Arts Council Patron Award?

1. Arts organizations that have received a grant from the Winnipeg Arts Council may submit a candidate for consideration. Nominations for Patron Awards cannot be proposed by individuals or businesses. The Winnipeg Arts Council Nominations Committee may also make submissions.
2. Winnipeg arts organizations may propose one nomination per year in each of the two Patron Awards categories.
3. Multiple arts organizations may collaboratively propose a nomination; collaborative submissions must designate a single contact person from one of the sponsoring organizations.

Who can be considered for a Winnipeg Arts Council Patron Award?

1. Candidates for consideration as nominees must be residents of Winnipeg. If a company is being submitted for consideration it must have an office and/or staff in Winnipeg.
2. Arts organizations may not be proposed as nominees for the Arts Champion Award.
3. A person or organization may be considered for an award only twice in any four-year period.
4. All submissions are screened for basic eligibility. The Winnipeg Arts Council may transfer a proposed nomination to a more appropriate category or remove a submission from consideration.

What is required to submit a candidate for consideration?

1. A complete submission package includes
 - The submission form signed by both the nominating body and the candidate. It **must** include a 30-word (maximum) synopsis of the proposed nomination which may be edited and used in promotional materials.
 - A letter (2 pages maximum) addressing the assessment criteria and detailing why the candidate is worthy of the Award and how their contribution has impacted the nominating organization(s) or project.
 - An organizational profile (1 page maximum) of the nominating organization(s).
2. Late or incomplete submissions will not be considered.

3. Only the required materials should be submitted; excess materials, i.e. audiovisuals, samples of the candidate's work, or additional letters of support should **not** be included. Any excess material will be discarded.
4. **All candidates must be aware of, and consent to, the submission** by signing the submission form. Candidates agree that the Winnipeg Arts Council may edit and quote from the 30-word nomination synopsis and the nomination letter, and may use the candidate's photo, in any and all print and electronic publicity related to the Mayor's Luncheon for the Arts and the Winnipeg Arts Council Awards.

How does the process work?

1. A jury composed of members of Winnipeg's diverse arts and business communities decides the recipients of the Award based on the criteria above.
2. The jury considers all eligible submissions received in each category, and determines which submissions will be placed on list of finalists, which will be announced as the 2022 Winnipeg Arts Council Awards Nominees. The jury will choose one winner as well as an alternate in each category.
3. The jury activities and deliberations are strictly confidential. All decisions are final.
4. Submission of a candidate for consideration by the jury does not guarantee the candidate will be shortlisted as a Nominee.
5. All winners will be announced at *The Mayor's Luncheon for the Arts*. **Attendance at the Mayor's Luncheon for the Arts is a condition of winning.** Should the jury's first selection in any category be unable to attend the award may be given to another Nominee.
6. **Nominators and nominees agree to keep all information regarding the process strictly confidential.** Nominators and nominees agree not to publicize, promote, or advertise Nominations until announced by the Winnipeg Arts Council, and further agree to keep confidential any information they may have about the status of the award.
7. The Winnipeg Arts Council reserves the right to make no award in any particular category in any given year.
