

CENTRAL PARK BANNER SCAVENGER HUNT

Find all 12 banners to answer these fun scavenger hunt questions!

What is the boy with the braid holding?	What colour is the skater's toque?
What colour is the girl's soccer uniform?	How many flowers are sprinkling water?
How many books is the student holding?	How many stars are above the Indigenous woman's head?
What instruments do you see?	How many clouds are above the family?
Which sports do you see?	What is on the bearded man's blue shirt?
How many elders are playing chess?	What colour pants is the child at the splash pad wearing?

Winnipeg artist Bistyek (pronounced bee-stee-yak) moved to Canada from Syria. He made these colourful banners to celebrate the people in the neighbourhood. His artwork has families, Elders, and kids playing. Bistyek's art shows joy and fun in Central Park and how people come together. The public art banners will be up for at least two years, thanks to a partnership between the Winnipeg Arts Council and the West End BIZ.
